How to Log in with Your Username & Password

1. Visit the Saint Paul & Minnesota Foundation’s homepage at spmcf.org.

2. Select DonorView in the top navigation.

   Note: If you are on a mobile device, select the top navigation menu and then select DonorView.

   Desktop View:

   ![Desktop View](image1)

   Mobile View:

   ![Mobile View](image2)
3. Enter your Username and Password on the login screen, then select Log In.

4. If you have two-factor authentication enabled or if you have cleared your cache on your internet browser, you will proceed to the following screen for authentication.

   ![Two-Factor Authentication](image)

   Select the phone number on your account and whether you’d like to receive a Text Message or Call to receive your security code.

   Note: If the number you enter does not allow text messages, like a home phone, you will need to select Call.

   Note: If you would like to edit an existing number or add a new number, please reach out to your Philanthropic Advisor so they can update your account.

5. Select Log In.
6. Enter the seven-digit security code you receive via text or a phone call.

**Two-Factor Authentication**

Security code*  

![Security Code Input Field]

- Register this device

- [LOG IN]  
- [ENTER A DIFFERENT PHONE NUMBER]

7. Check the box to **Register this device** if you do **not** want to go through the two-factor authentication process in the future. If you leave the box unchecked, you will need to use two-factor authentication upon each log in.

8. Select **Log In** to proceed to your Fund Dashboard.

Once you log in, you will be able to see fund balances, fund statements, grantmaking history and other information. If you encounter issues logging in to your fund, please contact your Philanthropic Advisor or email us at philanthropy@spmcf.org.
