How to Request Your Forgotten Username

1. Visit the GranteeView homepage.

2. Select Community Sharing Fund in the top navigation.

3. On the Login Page, select Forgot Username.

4. Provide the requested information and select Submit. You will receive an email with your username.
5. Enter your first name, last name, email, and zip code. This information must match what you entered when you originally registered. If it does not match, you will receive an error message and be asked to contact our Grants Administration.

If you have any questions or need assistance, please contact our grants administration department.
