How to Reset Your Password

1. Visit the GranteeView homepage.

2. Select Community Sharing Fund in the top navigation.

3. On the Login page, select Forgot Password.

4. Provide the requested information and select Log in. Depending on your choice of authentication method, you will receive either a phone call or text message with a security code to change your password.
5. Please enter your username and primary telephone number associated with your login credentials.
